

Reliable Content. Innovative Delivery.

Captivate your audience with
our extensive content and
delivery strategies

We Offer a Unique Content Solution for Every Audience

Who Are We?

With over 25 years of experience creating content on hundreds of subjects, we have assembled an unrivalled team of dedicated experts from various fields. We are devoted to delivering credible content through the most impactful formats.

QuickSeries is made up of:

- Experienced Writers, Editors, and Graphic Designers.
- Talented Software Developers.
- Dedicated Account Managers and Customer Service Specialists.
- Long-lasting partnerships with industry-leading Subject Matter Experts.

What Do We Do?

We listen to the needs of various communities, Program Managers, Government and Enterprise Professionals, and develop innovative outreach solutions to support their causes.

We skillfully:

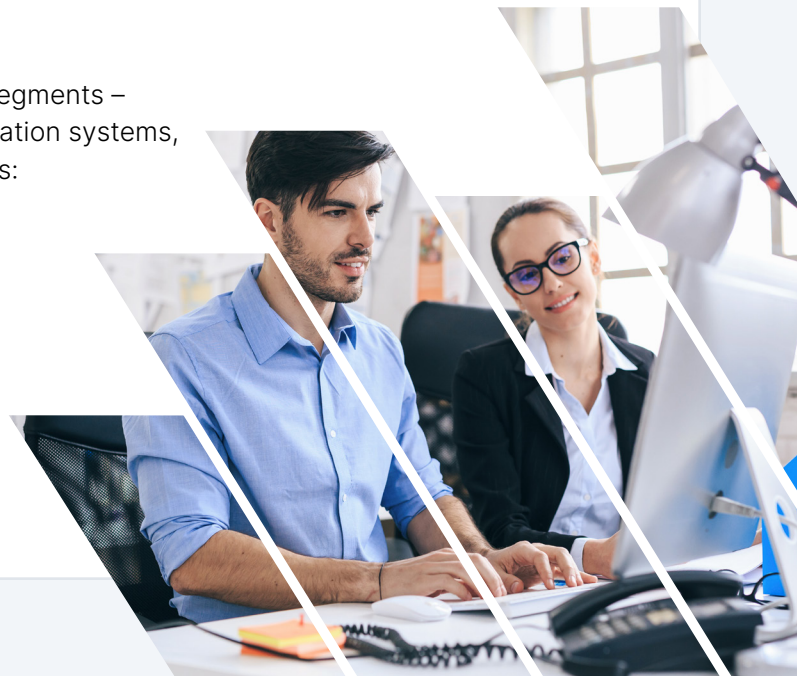

- Create content on a wide range of topics that helps educate people and communities to lead healthier and safer lives.
- Synthesize content into easy-to-read and user-friendly language.
- Innovate new product formats – from print to digital, including topic-based apps and a customizable app platform – to provide Program Managers with a selection of tools that reach a wider audience and target demographics.
- Help clients easily create affordable custom products from scratch or by incorporating their own content.

Who Do We Do It For?

We proudly respond to the needs of numerous client segments – from government and military to public agencies, education systems, and commercial enterprises – within the following fields:

- Disaster and Security Preparedness
- Community Safety
- The Department of Defense and all the U.S. Armed Forces branches
- Health and Wellness
- Home and Workplace Safety
- The Veteran Experience

We optimize every element of content delivery

Print Solutions

Effectively communicate your outreach message in the field, office, or classroom with an eye-catching print format specifically designed to capture your reader's attention.

Pocket Guides

Our pocket guides keep vital information at your fingertips! Deliver a handy, long-lasting reference experience to empower your community.

Program Outreach

Our suite of educational and training outreach products support the smooth delivery of your message. Whether it is a wallet card tucked in a pocket or an attractive poster hung on a wall, our formats are practical, convenient, and effective.

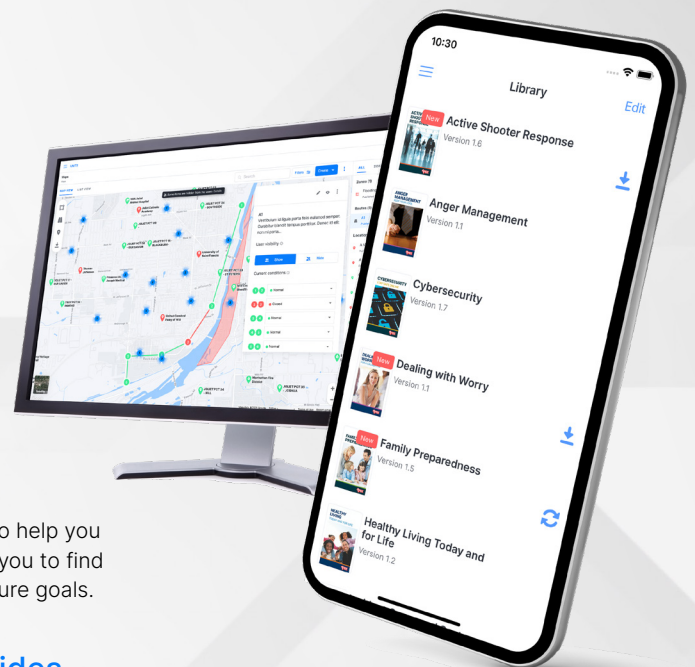

App Solutions

Provide your community with engaging, interactive content, news, and alerts in real time. Our app platform allows you to find the perfect fit for your audience and budget. It's designed to seamlessly integrate into your current tools and, as an added bonus, the workspaces delivery offers multiple user experiences with incredible scalability.

QuickConnect

Our QuickConnect app platform includes 25+ modules specifically designed to help you achieve a mobile outreach solution. The QuickSeries team will also work with you to find the most effective mix of features to serve your organization's current and future goals.

Topic-Focused Apps

With years of working directly with key decision-makers in various industries under our belt, we have gained the insight needed to create topic-focused apps that fill pivotal roles within these industries.

eGuides

Enhance your content with our eGuides. Our mobile guides include visual elements to reduce mindless scrolling and a straightforward design ensures users don't get lost in the technology.

Content Services

Nurture your app's momentum after a successful launch with the help of our content services. QuickSeries can craft tailored content, including blogs, social media posts, and infographics, to keep your app relevant and a must-download for your target audience.

Our Accreditation Resource Partners

Along with our team of knowledgeable Writers and Editors, we partner with various respected associations within different industries to write, review, and validate our content. Once the content has been approved, we add their logo to the guide as a seal of approval – reassuring you that the information is correct and credible.
