Topic-Focused Apps

With years of working directly with key decision makers in various industries under our belt, we have gained the insight needed to create app systems that fill pivotal roles within these industries. With that knowledge in hand, our software developers have worked side by side with content experts to create app systems that are designed to fully integrate into your daily life.

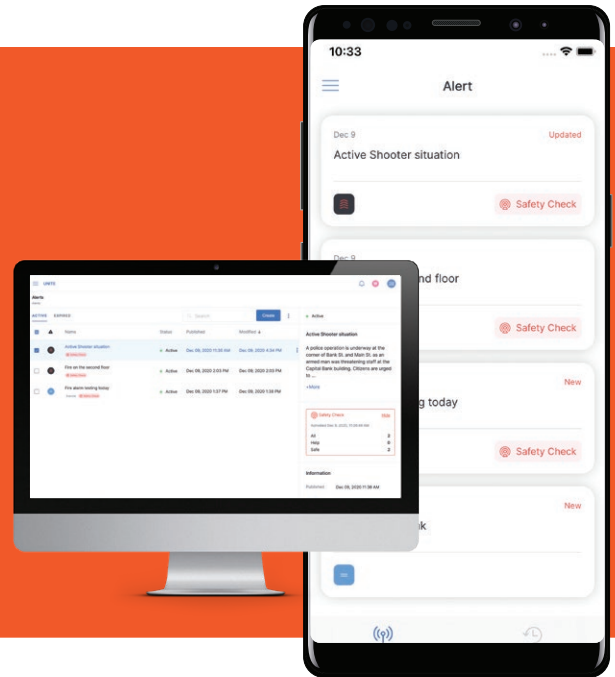

Keep your **OCCUPANTS** safe

Occupant **GUARD**

Powered by QuickSeries

**Where are your people and are they safe?
Would they know what to do if disaster struck?**

Ensuring the safety of the people in your organization is your most important responsibility. In an emergency, informed and well-prepared employees are safe employees. Give them the know-how they need to stay safe in any disaster, anywhere.

Keep your **COMMUNITY** safe

UNITE

Powered by QuickSeries

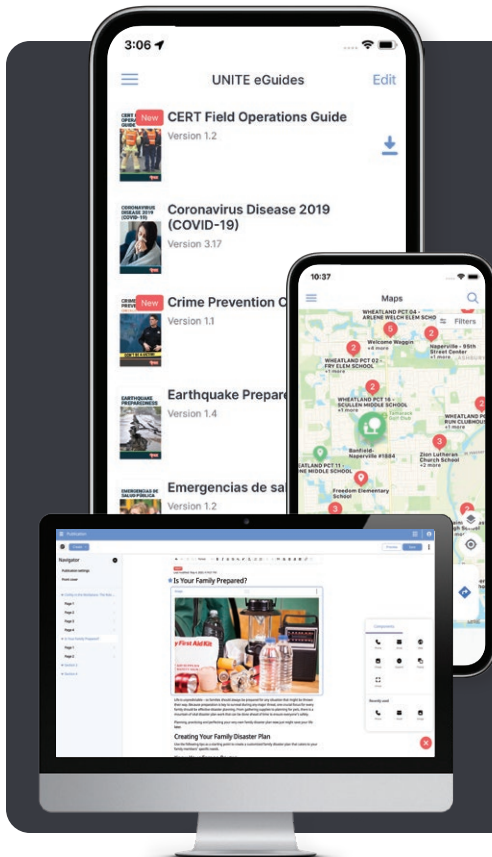

Built for all communities and budgets, the QuickSeries UNITE app delivers accurate information and resources during an emergency.

Use it to enhance preparation, communicate news, and motivate action.

Why UNITE? The UNITE app is an emergency management tool, but it also serves to unite community members and promote solidarity all year round.

With UNITE, you can:

- Create a resource library to give your people the information they need.
- Map out hazard zones, routes to safety, and locations of essential services.
- Prepare families with household plans, checklists, and assessments.
- Create tailored content with an Authoring Tool CMS.

QuickTips

To better respond in disasters, first responders should follow these basic steps before an emergency to ensure their own family's preparedness:

- ① **Be informed:** What disasters are likely in your area? What's your community's evacuation plan?
- ② **Have a plan:** Where will your family go in an emergency? How will you keep in touch?
- ③ **Have an emergency supply kit.**
